SUMMARY

.NET Developer skilled in building full-stack web applications using ASP.NET Core, C#, React.js, SQL Server, and MySQL. Developed RESTful APIs, authentication systems, and responsive user interfaces through academic and personal projects. Familiar with Web API development, database management, and scalable application design.

SKILLS

Languages: C#, JavaScript, SQL, SQL Queries, HTML, CSS

Frameworks & Technologies: .NET Core, ASP.NET Core MVC, ASP.NET Core Web API, React.js, Entity Framework Core, JWT Authentication, Bootstrap

Databases: SQL Server, MySQL

Tools: Git, GitHub, Visual Studio, VS Code, Postman

Soft Skills: Collaboration, Learning Agility, Problem Solving, Communication

PROJECTS

Movie Ticket Booking System

Tech Stack: ASP.NET Core Web API, C#, React.js, Entity Framework Core, SQL Server/MySQL

- Developed a full-stack movie ticket booking application using ASP.NET Core Web API, React.js, and Entity Framework Core.
- Implemented movie listings, seat selection, ticket booking, and booking history functionalities.
- Built secure RESTful APIs and integrated SQL Server/MySQL database operations using Entity Framework Core.
- Designed responsive React.js interfaces for seamless cross-device user experience.
- Implemented role-based authentication and authorization for users and administrators.

Job Board / Recruitment Portal

Tech Stack: ASP.NET Core MVC, ASP.NET Core Web API, C#, Entity Framework Core, MySQL, JWT Authentication

- Developed a recruitment portal using ASP.NET Core MVC with ASP.NET Core Web API backend for connecting job seekers and employers.
- Implemented JWT Authentication and role-based authorization for candidates and recruiters.
- Built features including job posting, job applications, resume management, and application tracking.
- Integrated MySQL with Entity Framework Core for efficient data management.
- Designed responsive Razor View interfaces using HTML, CSS, Bootstrap, and JavaScript.

EXPERIENCE

MIRAMED AJUBA

AR Analyst - Medical Billing

2022 – 2024

Chennai, Tamil Nadu

- Handled 50+ ambulance claims daily including denial management and accounts receivable follow-up for U.S. healthcare insurance providers.
- Analyzed denied claims, verified insurance details, and coordinated payment resolution to improve reimbursement efficiency.
- Maintained accurate claim documentation and contributed to timely claim resolution in a fast-paced healthcare environment.

EDUCATION

AM Jain College

Bachelor of Commerce in Computer Applications (B.Com CA)

2019 – 2022

Chennai, Tamil Nadu

- CGPA: 6.6

CERTIFICATIONS

DotNet Developer - UNIQ Technologies, Chennai · **Python Full Stack** - Login360, Chennai
